4. Christmas late night shopping. .. suggested that we just do one performance with enough time to sing all our songs and an encore !

5. Perhaps a summer gig at Leedons ( like our Christmas one last year )
6. A Christmas performance for Leedons to thank them for use of hall.
7. Kim is going to enquire with Bretforton to see if Proms and any other occasions are possible.
8. All of these requests are subject to Paul being available.

## REQUESTS

There were suggestions and requests for the choir to sing at other events and at nursing homes etc last year. These requests were put to Paul but he was not able to attend as he has lots of other commitments .

There is no reason or problem at all with members of the choir independently doing this and organising amongst themselves ( as happened a couple of times last year )

We suggest that if they are going to do it , once they have decided , they set up a separate watsapp group just for that event so it doesn't clog up general site .

## CHARITIES

It has been suggested that we have a list of local charities and decide on one for each year .

## SOCIAL EVENTS

We hope to try for lunch again at Lords of the Manor Hotel on Friday March 20th . Once Sian has confirmed dates she will bring in menus .

The BFG was a huge success and Dave will again book RSC for Christmas time this year .

Hoping to find a summer show to go to as well ..Dave on the case .

A dog walk and possibly lunch to be arranged. Kim looking at other walks around The Fleece, as that was great last year with the use of The Barn afterwards.

The Christmas party at Leedons with lasagna from the deli and contributions from choir members was well received so we will do that again.

## SUGGESTIONS/OTHER BUSINESS

If anyone has any ideas , suggestions or questions for the committee please see one of us on a Monday or privately message one of us. Sian has suggested that on a Monday during tea break we will be available if anyone wants to speak to us .

Some great news, Sian has spoken with The Leedons committee and they have agreed to change their venue for their 6 weekly meetings so there will be no disruption to the choir.

Mark has suggested that we ask Paul to select perhaps 10 songs from our back catalogue that we practice now and again so that we have an extended current repartie. We've sung some brilliant songs over the years and it would be lovely to revisit them and have them ready to sing again at any time.
