

One of Us

Andersson & Ulvaeus 1981

They passed me by
All of those great romances
You were, I felt, robbing me
Of my rightful chances
My picture clear
Everything seemed so easy

And so I dealt you the blow
One of us had to go
Now it's different, I want you to know

**One of us is crying, one of us is lying
In a lonely bed _____
Staring at the ceiling
Wishing she was somewhere else instead _____
Men: One of us is shaking with a heart that's breaking)**

**One of us is lonely, one of us is only
Waiting for a call
Sorry for herself, feeling stupid, feeling small
Wishing she had never left at all**

I saw myself
As a concealed attraction
I felt you kept me away
From the heat and the action
Just like a child
Stubborn and misconceiving

That's how I started the show
One of us had to go
Now I'm changed and I want you to know

In a lonely bed _____
Staring at the ceiling
Wishing she was somewhere else instead _____

Never left at all.
