

Yeh Yeh (1965)

Georgie Fame

Every evening, when all my day's work is through
I call my baby, and ask her what shall we do
I mention movies, but she don't seem to dig that
And then she asks me, why don't I come to her flat
And have some supper and let the evening pass by
By playing records beside a groovy hi-fi

I say yeh, yeh
And that's what I say
I say yeh, yeh

My baby loves me, she gets me feeling so fine
And when she loves me
She let's me know that she's mine
And when she kisses, I feel the fire get hot
She never misses, she gives it all that she's got
And when she asks me if everything is okay
I got my answer, the only thing I can say

I say yeh, yeh
And that's what I say
I say yeh, yeh

We play a melody and
Turn the lights down low so that none can see
We gotta do that, we gotta do that
We gotta do that, we gotta do that
And there'll be no one else alive
In all the world 'cept you and me

Yeh, yeh, yeh, yeh, yeh
Yeh, yeh, yeh, yeh

Pretty baby, I never knew such a thrill
It's hard, I tell you, because I'm trembling still

But pretty baby, I want you all for my own
I think I'm ready to leave those others alone
Don't need to ask me if everything is okay
I got my answer, the only thing I can say

I say yeh, yeh
That's what I say
I say yeh, yeh
That's what I say
I say yeh, yeh

INSTRUMENTAL – 16 bars
